

LEISURE TIME

Just a few minutes from the hotel is the Naschmarkt (Vienna's oldest and biggest fruit & vegetable market) and it is definitely worth a visit. Tour the famous collections of classical and modern art in Vienna's museums and galleries, or set aside some time to enjoy a shopping expedition along the city's most famous pedestrian precinct – the Kärntner Strasse. When evening sets in, it is once again time to succumb to the enchantment of Vienna's treasure trove of opera, concerts, musicals and theatre. Schönbrunn Palace is just a few stops away on the underground, always a worthwhile experience no matter what season.
