BARRIER-FREE DECLARATION AUSTRIA TREND HOTEL ANATOL
Vienna, November 2017

NOTICE FOR BARRIER-FREE ACCESS IN THE AUSTRIA TREND HOTEL ANATOL

Our public premises on the ground floor are fully accessible:

- Reception, lobbybar, breakfast restaurant, public restrooms, seminar rooms

Our guestrooms are located on floors 1 to 7 and are accessible by lift. All guest rooms on floors 1 to 7 are thus accessible without barriers.

Guestrooms & Restaurant Area

- The floor in our hotel rooms as well as the hotel aisles are carpeted.
- Light switches are installed in all rooms at a height of approximately 1 meter and can also be operated from a wheelchair.
- Some of the bathrooms in the rooms are accessible via a small threshold. The bathrooms have baths or showers, but are not fully accessible.
- Upon request, we certainly provide non-slip shower/tub coverings and seating for the shower/tub.
- Our restaurant is fully accessible and equipped with a PVC floor. The room has a tiled floor in the buffet area.
- Please contact our staff upon arrival at the restaurant. We are happy to assign you a comfortable and if necessary wheelchair accessible space.
- All meals are served on a self-service buffet, and coffee or tea is also available for free usage. Though, we are more than happy to serve various desired food and drinks directly to your table.

Accessibility & Arrival

- You can reach us by public transportation from both Vienna airport and Vienna Central Station barrier-free. We are happy to organize a taxi transfer with pick-up directly at the platform or directly from the arrival hall at the airport for you.
- If you arrive by car, you are able to park directly in our garage located in the hotel. Thus, you get barrier-free to the hotel.
- We are more than happy to assist you with your luggage on your arrival and departure day, please contact our reception team.

General

- Our reception is available 24 hours for support in all matters at any time.
- We are more than happy to organize travel accessible walking aids, etc., and per delivery directly to the hotel.
- For future investments, the creation of additional offers for barrier-free access is planned.

We wish you a pleasant stay in our house, which will sustainably last in your memory.
