We keep abreast of current nutritional trends and include these in all our conference packages at no extra cost to you. Cutting-edge cuisine.

Energy for the body

We offer high-energy foods, such as wholemeal products, nut-based snacks and healthy muesli. Our salads contain a variety of vital grains, such as pumpkin, flax and sunflower seeds for healthy energy.

Brain food makes you smart

Fruit and vegetables improve concentration, so fruit, yoghurt drinks and fruit and vegetable smoothies are also now available during coffee breaks.

A clear head for clear thinking

Drinking encourages concentration. As well as traditional cold drinks, we also now offer ginger tea as standard, along with water enriched with fruit and/or herbs.

Vegan cuisine creates diversity

Vegetarian and vegan dishes are available during coffee breaks, as well as at lunch and dinner.
