### Energy for the body

We offer high-energy foods, such as wholemeal products, nut-based snacks and healthy muesli. Our salads contain a variety of vital grains, such as pumpkin, flax and sunflower seeds for healthy energy.

### Brain food makes you smart

Fruit and vegetables improve concentration, so fruit, yoghurt drinks and fruit and vegetable smoothies are also now available during coffee breaks.

### A clear head for clear thinking

Drinking encourages concentration. As well as traditional cold drinks, we also now offer ginger tea as standard, along with water enriched with fruit and/or herbs.

### Vegan cuisine creates diversity

Vegetarian and vegan dishes are available during coffee breaks, as well as at lunch and dinner.

## Austria Trend Conference Package PLUS
